

**F1/Nursery:**

To know that I have an opinion about my work.

**F2/Reception:**

To know that understanding what I like and dislike about my product can inform my future choices.

DT Knowledge Path  
**Evaluating**

**Year 1:**

To know that evaluating a product helps us to decide how well matched it is to the purpose.  
To know that a design criteria can help us to evaluate a design.

**Year 2:**

To know that evaluating a product can help us identify strengths and weaknesses.  
To know that evaluating a product can help identify changes that could be made to improve it.
